Dear Dale:

I have just finished writing Shannon a letter. Thank you for giving me her address. It has been a long time since I have seen her and I hope things are going well. Don't feel you have to answer this letter. I really do understand pressures on you guys at the Sunset School. It is great because it means you learn to use every minute of the day, but it certainly is excruciating while you are going through it.

The experience in Andover must have been exciting. I am glad you have had that opportunity. There will be countless others like it in the future.

I pray that you will not become discouraged with the demands the school makes on you. I can certainly appreciate your struggle with becoming a student again. Continue to give the Lord Jesus your life to rule every day. Out of that personal and definite decision of surrender can come the kind of commitment to your studies that you want. May God bless you every way.

Your brother,

John Allen Chalk

Dear John,

Let me begin by saying it was really great seeing you and hearing you speak again. I really enjoyed your fellowship.

Thank you for being so kind in sharing those two books with me, It took me a long while to believe a man two thousand years ago loved me so much to die for me, if it be the Lords will I'd like to take it to millions of kids who are tangled up in DRUGS trying to find an answer.

Its no easy job to be back in school and learn how to study and over come the past, but I truly feel with the help of Jesus I can regain a portion of what I have lost.

I hope you dont think I'm trying to cry on anyones ear, I've just got a long way to go and I need your prayers.

This letter is late due to the amount of studies and I just returned from a week meeting in Andover Kansas. Ed Whorton and 18 of us freshmen went with him. This is the first time I've ever done personal work and it was great!

Thank you again for your unmatched kindness toward me. If you get a free moment please write Shannon a letter of encouragement, I know you will.
